

If you can read this, you have a strange mind too

Can you read this? Only 55 people out of 100 can.

I couldn't believe that I could actually understand what I was reading. The phonemic power of the human mind, according to a research at Cambridge University, it doesn't matter in what order the letters in a word are, the only important thing is that the first and last letter be in the right place. The rest can be a total mess and you can still read it without a problem. This is because the human mind does not read every letter by itself, but the word as a whole. Amazing huh? Yeah and I always thought spelling was important! If you can read this forward it
