TO MENOMONEE FALLS HIGH SCHOOL CLASS OF 1962,

It gives me great pleasure to, not only welcome you "home" on the occasion of your 50-Year Reunion, but to congratulate you on achieving this important milestone.

As you know, the Village of Menomonee Falls is extremely proud of its school system and hopefully you have benefitted from the time you spent here over 50 years ago. Your personal success upon leaving MFHS and subsequent contributions to improve society have no doubt left a lasting legacy in your own communities.

On behalf of community residents, former teachers and administrators, and members of the Village Board, I offer best wishes for a safe and successful celebration.

Sincerely,

VILLAGE OF MENOMONEE FALLS

Randall R. Newman
Village President
